

S1 Medical is a proud partner of Preferred Benefit Consultants

## MANAGED CARE PROGRAM

Designed to Provide Rapid Resolution of Claims

### 24/7 Triage and NCM

True 24 hour nurse triage & nurse case management coverage.

### Ancillary

A proprietary network with national coverage for all specialty services.

### Bill Review & Networks

Adjudication of medical bills by rules based technology, clinical expertise and a proprietary preferred provider network.

### Prescription Management

Full scale pharmacy benefit management, discount prescription card program, or drug intervention services.

#### >> INCREASED QUALITY OF CARE

Ensuring quality healthcare is provided to the injured worker.

#### >> EARLY CLINICAL INTERVENTION

Early identification and management of claims with potential indemnity conversion potential, Rx script management, reduced ER costs.

#### >> IMPROVED CLAIM OUTCOMES

Injured worker's early reinstatement to the workforce.

#### >> CUSTOMIZED MANAGED CARE PROGRAM

Understanding individual client needs to create the most effective program to drive results.

#### >> INCREASE TO CLIENT BOTTOM LINE

Eliminate unnecessary medical costs, lower claim cost, lower MOD rating.

#### >> OVERALL REDUCTION IN COST

Indemnity management, medical treatment duration, script management and ancillary oversight.

## PROGRAM BENEFITS

No matter the product, no matter the service, we're here to deliver the ideal user experience.

### Revamp Managed Care

S1 Medical's biggest differentiator is the exclusive distribution of Independence Blue Cross network to achieve the deepest savings offered in the workers compensation market.

### Omniscient Data Reporting

Get the data. Put it all together. Make it available to the Client in fully comprehensive, readily available, self reporting functionality.

### Deliver True Worth & Influence

True worth is determined by how much you give in value versus take in payment. Influence is achieved by how abundantly you place other people's interest first.

*"Patient focused care,  
Superior service,  
Exceptional outcomes."*
